Wow. The time at RendezVous 2013 was simply amazing. Amazing on so many levels.

First and foremost, it gave us the space to hear how God is calling us, pointing us to where He wants us to be. For some of us, that meant responding to the call of full time ministry. For others, it meant a deeper understanding and commitment to support other missionaries. I trust that all of us left the conference with a renewed sense of how we can live for God in terms of everyday mission.

At another level, it was amazing to meet and share life with the global Alliance family. It was such a unique and special experience, to meet other family members from across the world. Although we are so culturally different, this diversity only served to unite us even more in the bond of Christ's love. I'm sure I am not the only one to have made friends-for-life at the conference.

At the level of conference content, Ps Vinh Doan was an amazing speaker. His dynamic style easily captured our attention, but also with depth and wisdom beyond his years, he exhorted and challenged all of us in the way we lived our lives for Christ. The Holy Spirit used his words to touch many of our hearts.

As we returned from China and Taiwan from the short term missions, we were all amazed at the different experiences and things we learned. As we shared with each other, it reinforced our experiences, and we realised that even though each of the three teams experienced different things and met different people, we were all aware of how God was working in these places. And it excites us and spurs us to think about how else we can be a part of God's work.

On a more personal note, it was a wonderfully fun, intense, and rewarding time for me, but also an eye opening time. I gained a deeper understanding and appreciation for full time servants in the mission fields of cross-cultural and local churches. I was also stunned by the realisation that 2nd/3rd generation immigrants have massive potential in cross-cultural ministries - simply because they (including myself) were raised on the border of two (or more) cultures. Among this realisation, I am gaining more appreciation of how God uses our upbringing and gifts to serve Him, opening my mind to such opportunities as in Wuhan, where my strength in English is a valuable resource!

Lastly, but in no way the least, I wanted to say a massive 'Thank You' to the amazing organising committee. It is only through the perseverance of every committee member over the last 2 years that this conference came together as smoothly as it did. In particular, the HK team were the pillar of strength in all of the organising. Thank you so much for making RendezVous 2013 such an incredible journey! I truly look forward to seeing everyone again at the next RendezVous in 2016.

Together in Christ,

嘩！2013年的青年文化交流約會真是奇妙的旅程，在很多層面而言，都是奇妙的。

首先，是次大會讓我們明白上帝如何呼召我們，指引我們上帝要我們當走的路。有些人認為這是指奉獻全職事奉；其他人來說，這是對支持宣教士有更深入的了解和委身。我相信，這次大會中更新了所有參加者的使命感，每一天為主而活。

另一方面，可以與來自世界各地的宣道會大家庭的弟兄姊妹認識及有生命的交流，實在是獨特的體驗。儘管有文化差異，但這些差異反而讓我們在主的愛中更加契合。我肯定，在大會中結識了可以畢生交往的朋友的，不僅是我一人。

就大會的內容而言，Vinh Doan傳道是出色的講員，他活潑生動的宣講，不單吸引我們的注意，信息的深度及智慧超越了他的年齡。他鼓勵並挑戰我們每一位要為主而活。的確，聖靈藉著他的說話觸摸了我們的心靈。

我們完成了中國及台灣的探訪行程後，回來分享途中的所見所聞，都叫我們倍感驚訝。我們彼此的分享，使我們的體驗更進深，雖然三支探訪隊各自有不同領受，遇到不同的人物，但我們同樣體驗神在各地的作為。這更挑旺我們，使我們興奮和思考：我們還可以怎樣參與神的工作？

對我個人來說，整個大會是歡樂的，緊密的，而且很有得著，更開闊了我的眼界，使我更深了解和欣賞宣教士和本土傳道同工。我更驚訝發現，原來海外華人的第二、三代在跨文化的服侍中有很大的潛力，因為他們(包括我)在兩至三種文化的夾縫中成長。當我和隊員到武漢探訪時，我的英語能力成了寶貴的資源，我真的感恩，感謝神使用我的成長背景及恩賜服侍祂。

最後，我要衷心多謝這次大會的籌委，因著籌委們在過去兩年的忍耐，這大會能順利完成。尤其是香港的同工團隊，他們是籌備過程中的支柱。感謝大家使2013文化交流約會成為精彩的旅程。我期盼在2016「約會」再與您相見。

Going to the CAWF Thailand Mission trip in 2011 played a large role in stirring up my heart for mission and realising its importance and urgency. This year (well, '13-'14), I am glad to have the opportunity to go to CAWF Hong Kong/China and serve once again with my fellow brothers and sisters from all over the world.

For track B, I joined the Qingyuan team and got to experience intense bike-riding, visiting the churches of China, interacting with the village people, eating Qingyuan chicken at least 2 times a day, hearing the testimonies of brothers and sisters in China, etc. During the few days we stayed, through the sights we saw, things we did, sharing we heard, God helped me to realise a few things.

In each different environment, there is a different approach to share the gospel. China was challenging because of the restrictions set by the government. However, we could still convey God's love through our actions and our conversations, and it was especially encouraging to hear from the sharing sessions that the Chinese government acknowledged that Christians had good influence to the people around them.

In the western world, it is very easy to say 'man does not live on bread alone' and enter into mission fields with the determination to solely spread the gospel. However, visiting the villages of Qingyuan made it quite evident that assisting with physical needs such as food and shelter is important as well, because sometimes that is the better way to show God's love for them.

Mission does not end after a mission trip ends; it is something ongoing that Jesus Christ has commissioned us to do. Although it can take a long time, God is patient and the fruits of labour will be so sweet. Let's continue to faithfully serve our Lord wherever we are and hopefully cross paths again in the future!

2011的世界華人宣道會團契的泰國青宣大會對於我來說很重要，因為它激勵了我的宣教心志，並且使我明白宣教的重要及迫切。今年2013，很高興有機會參與青年文化交流約會，更可與來自不同地方的弟兄姊妹一同服侍。

在行程B，我參與了清遠探訪團。過程中，我經歷密集的騎單車旅程，探訪了不同的教會，接觸了鄉村的居民，並有機會一天兩遍品嘗清遠雞，另外，也聽到弟兄姊妹的見證分享等。藉著所見、所作、所聞，上帝讓我體會在不同的環境中，有不同的傳福音方法。由於政府政策的規定，在中國傳福音是要按法規而行；可是，在分享環節聽到中國政府也認同基督徒的服侍的確為人民帶來好處，心裡很激勵，因為我們仍然可以透過行動及人與人之間的交往去分享神的愛。

在西方社會，人們很輕易地說：「人活着不是單靠食物」，然後便堅決地進入宣教工場，單單只是傳福音。但是，清遠之行讓我明白，物質上的援助，例如食物及房屋等，也同樣重要，因為，很多時候這是見證神的更好途徑。宣教旅程的完結不等如宣教的結束，乃要持續不斷，因為主耶穌已向我們頒佈大使命。雖然要走的路尚遠，但神仍然忍耐等候，為主作工所結的果子是甜美的。願我們繼續在不同地方忠心地服侍神，深願將來有機會再見！

It has been a wonderful time during this 10 day conference as I have met a lot of people from different areas like Canada, France, and Hong Kong etc. I have seen and heard many talks, sharing, testimonies which have made my eye open a lot more. I look forward for the next CAWF conference as I am sure I will meet lots more people and see what more God has given me to experience.

I was very blessed that I decided to take this opportunity to come all the way from Australia to Hong Kong in December mainly just for the conference. The facilities were pretty good like sports hall and seeing the view from the grass area where we had groups of photos taken during Track A was brilliant.

It was encouraging to see people willing to share about their Track B experiences and also break times where we had the opportunity to go out to have dinner with people that you have not met before especially from different countries as we may not have another opportunity to see each other or not that much. Even though we may not see each other again, it was good that we were able to keep other people's contact details as there is social networking.

It was also good that after the conference, some of us (in the Qingyuan team) were able to meet up again and we are still keeping in contact with each other as we are sharing our photos/videos with each other during the entire conference especially Track B.

I cannot wait to see where God will take me to next after this conference and hope that my church will be touched after I share my experiences with them soon.

在這十天的青年文化交流約會，能夠認識到來自不同地方（如：加拿大、法國、香港等）的弟兄姊妹，真的興奮莫名。我看到和聽到很多的分享及見證，讓我眼界大開。我期待下屆的「約會」，我相信我可以認識更多，也可以更經歷神。

能決定把握機會從澳洲到香港參與是次大會是蒙福的，不論營內設施（如：體育館）以及從草坪外望的風景都是好得無比，我們就是在草坪上拍攝集體照和小組照的。

我也很高興前往行程B不同地區的組員能夠彼此分享所見所聞，與來自不同地區、素未謀面的弟兄姊妹在休息時間外出晚餐，真的令人鼓舞。雖然，我們未必能夠再見，但透過社交網絡，我們相信仍能保持聯繫。對清遠隊來說，在大會完結之後，我們仍相約見面，分享相片及影片。

我期待著知道，大會結束後神將要怎樣帶領我走下一步，亦盼望透過在教會中分享這次的經歷，使弟兄姊妹被感動。

In applying for this course, I really did not know what to expect. I just knew that I should go and see what a Chinese conference in Hong Kong would be like. Overall, I am really glad that I came and was able to meet a lot of different brothers and sisters from different countries; and that we could sing praises to God with our different languages.

The experience with Track A was quite good as we got to go carolling on the streets and bumped into other church groups carolling nearby as well. I do not get that experience at home. Also, going out to meet one of the Indonesian churches was quite interesting as I did not know there were Indonesian nannies! Track B was also fun, because I got to know my group fairly well and with one heart and mind, we served with a caring heart. The cycling part of the trip brought a lot of joy to my heart as I found out that primary kids would be receiving the bikes.

I feel very blessed to have come and I will gladly share my experience at my home church and bring my teens the next RendezVous conference.

申請參加是次青年文化交流約會時，我真的不知道有什麼期望。我只想去看看在香港舉行的華人會議是怎樣罷了。然而，我很高興能夠參加這次大會，和來自不同地方的弟兄姊妹相遇，並以不同的語言一同讚美神。

在行程A，在街上報佳音是很美好的經歷，因為在加拿大從沒有這樣做！我們還碰到其他在附近地點報佳音的教會呢。另外，能夠接觸香港的印尼教會，我也感到很有趣，想不到原來香港是有那麼多的印尼傭工呢！至於行程B，我很開心，因為可以與其他隊友混熟，而且我們同心關懷服侍。我們一同騎單車服侍，行程完畢，單車還送給當地的小學生，我心中充滿喜樂。

很感恩能夠參與這次青年文化交流約會，期盼把今次經歷與自己的教會分享，帶領教會的年青人一同參加下次的大會。

This is my first short term mission, it was very interesting. I have learned a lot about the Christians in China.

Evangelism in China is not easy, we have to do it slowly. We are encouraged to provide social service in order to build up good relationship with the locals. By following the religious policy of China, we have to be careful in what we say in public; we do not have to talk about Jesus openly, but would pray individually in our mind if needed.

I was the only French going to Qingyuan, I had to speak Cantonese during the five-day trip. Despite I have basic vocabularies in Cantonese, there are some words that I do not understand; consequently, the trip enhanced my ability of speaking Cantonese. I have also met people from various countries and share our different lifestyle. I hope I can do other short term missions in the future.

這是我第一次參加短宣，非常有趣。行程中，我了解到中國基督徒的情況，在中國傳福音是不容易的，我們需要慢慢地實行。藉著各種社會服務，我們與當地人建立良好關係。按宗教政策，在公眾場合說話時，我們必須謹慎，雖不可公開談論耶穌，但我們可以在心裡默默記念代禱。

在法國隊員中，只有我一人參與清遠之旅。在五天的行程，我需要用廣東話與人溝通。雖然，我認識一點點基本的廣東話字彙，但是不太靈光，因此，這次行程也讓我的廣東話進步了不少。我也結識了不同國家的弟兄姊妹，在途中，彼此分享大家的不同生活及文化。我盼望能夠在將來有機會再參與短宣。

感謝神的恩典，第二屆CAWF青年文化交流約會順利完結，深信每一位參與者都各有不同領受，然而如何將這些感動保持在個人屬靈生命上，才是我們今後要追求的功課。

作為香港人，城市快速的生活步伐與壓力，常讓我們在時間的洪流中容易忙碌與迷失，我們許久不曾安靜來體會神並思想神的美善。因著主的名讓我們集結在RendezVous，度過不一樣的聖誕節假期，被差遣到三個不同地方擴闊視野及親身走到工場服侍，燃起關懷宣教士及對宣教事工的參與和支持。

縱然與外國弟兄姊妹在溝通上有限制，但感恩藉著不同的破冰遊戲交流，我們可瞬間打破僵局，建立珍貴友誼，從而在分享中彼此更投入，哭笑有時，同行有時，成為重要的同路人。

在此謝謝熱心接待我們的台灣主內弟兄姊妹，因著基督的愛，視我們如同家人肢體一般，對我們的照顧與熱情款待，是我們學習的榜樣，你們的愛心，主必記念。

最後，關於是次約會2013主題為「我是...」，藉著講員的信息、宣教士生命見證分享、敬拜詩歌與各項安排活動，我尋找了最重要的答案：我是神眼中看為寶貴的兒子。

Thank God for His grace! The second CAWF RendezVous has successfully come to an end. I believe that every participating delegate had different messages to take home but how we move these from our hearts to our spiritual lives is our main task from now on.

As a Hong Kong native, it is easy to get lost in the busyness of this fast-paced city's rhythm and stress. Maybe we haven't quieted down ourselves for a long time to experience God and think about His goodness. In the Lord's name we gathered in RendezVous, experienced a different Christmas holiday, and ventured out to three different places to expand our horizons and walk with the missionaries to the forefront of the mission field. It ignited our care for missionaries and our participation and support towards mission work.

Although there were some language barriers with overseas brothers and sisters, I was thankful that we were able to build precious friendships through some ice-breaking games. Through sharing sessions, we were able to laugh, cry, and share experiences together.

I want to thank the brothers and sisters from Taiwan for passionately and genuinely caring for us and seeing us as one family in Christ. You have set an example for us all and God will remember your love.

Lastly, about this 2013 RendezVous' theme "To Be...", through the conference speaker's messages, missionaries' testimonies and sharing, the worship songs and all varieties of activities, I've found the most important answer: In God's eyes, I am His precious son.

第一次坐飛機，離開廣東省以外的地方，參與自己堂會以外的營會和訪宣，認識了來自不同堂會和世界不同地方的宣道青年，多個「第一次」在兩週的行程內發生。行程以外，感受和思考是在細微之處。

與過往的訪宣經驗不同，這次是從旁觀看、參與和協助，看到宣教士生動有活力的演出，很欣賞。同工們認真預備，做起來卻輕鬆，而且感覺他們是喜樂地在事奉，這可能也與中西辦事文化不同有關。有一晚到其中一對夫婦的家聚餐，第一個感覺是他們的家既舒適又溫暖，這與我印象中的宣教士生活很艱苦大相逕庭，但想深一層這並無不可，或者這樣他們才能走更遠的路，更上一層樓。他們就這樣把他們的家搬到工場，就這樣和兒子們在這裡生活和事奉，說得簡單，但其實已經很不容易，背後的難處和不容易沒有跟我們說罷了。他們一家有中文姓名，他們的孩子能說流利國語，相信父母親對孩子有一定的想法和心意。主日的早上，父親把剛買的早餐一份一份遞給小兒子，小兒子把早餐送給坐在沿路旁行乞的幾個人，關愛鄰舍，過程似乎很簡單，可不是每個聽了主吩咐的人也會去做，並且教導孩子和與之一同實踐。

謝謝 CAWF和牧者們的預備和用心，謝謝青年弟兄姊妹們的參與和熱情，願我們將青春和活力獻給我們的主。

There have been many "firsts" in this journey, such as my first time on a plane traveling beyond Guangdong province, first time participating in a conference and mission trip outside of my church, and first time meeting young adults from different churches and parts of the world. Aside from the trip itself, I still find myself processing the details of my sentiments.

Unlike my past experiences in mission trips, this time I was mainly an observer, participating and helping when opportunities arose. I was impressed by the missionaries' energetic performances for the children. All the helpers were serious but also relaxed in their preparation and were serving joyfully – maybe this is a Western cultural difference from the East. One night we went to a meeting at a couple's home. My first impression was that their home was so warm and comfortable, which was a great contrast to my original perception that missionaries had to live a hard and difficult life. But on further thought, I realized there's no reason why they shouldn't be comfortable since it could invigorate them to push further and achieve more. It's easy to just say that their whole family moved to the Field to live and serve, but much of the hardships and difficulties they experience are left unspoken. The fact that each family member has a Chinese name and their children can speak fluent Mandarin just shows a bit about the parents' thinking and intentions. On the morning of the Sunday worship, the father handed out portions of breakfast to his son who in turn passed the food to the beggars on the street. The concept of loving your neighbours sounds easy but not everyone who hears this commandment follows through; not to mention teaching your child to do it as well!

I would like to thank all the pastors and CAWF for all your efforts and preparation and all the young delegates for your participation and energy. I hope we will dedicate our youth and energy to serve our Lord.

感謝神，讓我們能夠參與今次 CAWF 2013 青年文化交流約會，因為這並不單是宣教體驗，也是能夠挑戰自我、突破界限的旅程；要在忙碌的工作與生活中參與交流營，實在不容易，但卻是不容錯過的跨文化體驗。

1. 體驗宣教士的跨文化經歷

踏出自己的安舒區，認識不同地區弟兄姊妹的跨文化學習，在10日內跟來自7個國家的華人相處及溝通，當中的文化差異仿如宣教士進入異國文化之中，充滿著溝通困難與歡笑。

2. 深度了解宣教士在工場的委身

過程中，透過講員及宣教士的分享，認識禾場的福音需要及跨民族的宣教使命，更重要的是學習如何落實關心宣教士及支持各地區的宣教工作。

總括而言，神透過今次營會讓我們反思到世界之大、神恩的浩瀚；我們願意為神做甚麼？如何參與宣教事工？

We thank God for giving us the opportunity to participate in the CAWF RendezVous 2013. This was not only an experience about missions, but also a journey to challenge ourselves and break through boundaries. Although it was difficult to arrange time amongst our busy working and lifestyle schedules to attend the RendezVous, it was a cross-cultural experience that could not be missed.

1. Experiencing missionaries' cross-cultural experiences

We stepped out of our comfort zones for the 10 days and got to know brothers and sisters from 7 countries and learned about the cultural differences. The experience was filled with many communication barriers and laughter just like how missionaries enter into foreign cultures.

2. To deeply understand a missionary's submission to God's will in their mission fields

Through the speaker and missionaries' sharing, we saw the need for the gospel in the mission fields and the commission to spread the gospel across different cultures. Most importantly, we learned how to practically care for missionaries and support them and their work in their respective mission fields.

In conclusion, through this conference God allowed us to reflect upon the world and God's grace for all. What are we willing to do for God? How do I participate in mission work?

(English translation)

很感恩，認識了很多不同國籍、同一信仰的同路人；認識了世界各地、不同地區的福音需要；認識了某些地方雖然福音開放，但物質享樂卻在侵蝕人心；認識了某些地方雖然禁止傳福音，但福音種子卻暗地裏慢慢成長；認識了一班熱血、委身的傳道人，在他們身上看到主對世人的憐憫和愛。

今次行程中，主讓我體驗到何為奉獻。大會主題講員Vinh Doan傳道最後一天的講道信息：亞伯拉罕憑信心獻上他的兒子，正如傳道人和宣教士，憑信心為主的使命獻上自己；在清遠服侍的弟兄姊妹，獻上時間、金錢、心血，服侍五保戶、特困戶；幫助一些只能夠接受有限度視野教育的山區孩童；建立一間不知何年何月才可以籌募足夠款項的教會。這一切一切，都是甘心樂意的奉獻，正如耶穌甘心樂意為世人的罪獻上自己。不為任何的報答，沒有即時的果效，只是因為相信這位上帝。這讓我反思，自己動搖不定的信心、只做自己能力所及的奉獻，上帝是否悅納。

這次行程得着實在太多，無法一一盡錄。最後，很慶幸能參與是次聚會，但願每一年都能舉辦，讓更多年輕人來認識、參與上帝的大使命。

I'm thankful to have met people who are of different nationalities yet share the same religion. I learned about the gospel's needs in different parts of the world. Even though the gospel is free in certain places but materialism continues to consume the hearts of many people. Whereas in other places though the gospel is forbidden, the seed of the gospel continues to take root and grow. I'm also thankful to have met a group of passionate and dedicated pastors and see the Lord's mercy and love through them.

In this journey, the Lord allowed me to experience what service means. In the last sermon of the conference, Pastor Vinh Doan spoke of Abraham's faith by offering up his son like how pastors and missionaries by faith offer up their lives. The brothers and sisters that serve in Qingyuan offer up their time, money, and effort to serve the poor, help educate rural children, fundraise for a church building without knowing when they will reap any harvest. Regardless, all these acts were done willingly and cheerfully, just like how Jesus willingly sacrificed himself for people's sins. All this is done without seeking repayment or immediate results, but relying solely on faith in our Lord. This made me to reflect whether God would be pleased with my shaky faith in only serving in areas where I feel able.

I've learned so much in this journey that it's hard to write it all down. Finally, I'm very grateful to have attended this meeting. I hope that it will be held annually so that more young adults can come to know and participate in God's Great Commission.
